ABOUT ME

I am a BCA graduate, passionate about web development and leadership. I love exploring new website ideas and actively participate in social work. My motto is "Be the Best," driving me to excel in everything I do.

COLLEGE PROJECT

Projects:

Hotel Management:

- Complete Automation – Manages booking, billing, customers, and staff in one system.
- Easy to Use – Simple web interface for admins and receptionists.
- Smart Billing – Auto-calculates room rent, taxes, and generates printable invoices.
- Customer & Staff Management – Stores details, history, and roles securely.
- Admin Dashboard – Shows real-time reports on bookings, revenue, and room availability.

CURRENTLY

- DOING INTERSHIP IN DIGITAL DOST COMPANY

CERTIFICATE

- CERTIFICATE IN CCC SHORT TERM COURSE
