FUTURE IS ELECTRIC

Zelio E-Mobility Limited is India's Fast Growing electric two-wheeler manufacturing company founded by Mr. Neeraj Arora with the vision to create a greener value in the market. By making such greener products that can help lead environmental benefits for the betterment of human beings and nature. Zelio E-Mobility Limited's manufacturing unit is located in Hissar, Haryana. Zelio promises to bring the latest technology and cutting-edge design to the Indian consumer. We believe that our business is not just about building a loyal customer base, but also about creating a better, cleaner and greener future for generations to come. As an ambitious player in India's evolving E-bike market, we wish to be the benchmark of all-for-able eco-friendly technology.

Establish Zelio to be No. 1 Electric Two-Wheeler Company by delivering smart, innovative, stylish, comfortable and energy-efficient vehicles and to be the benchmark of affordable eco-friendly technology for the generation to come.

**OUR MISSION**

We believe in moving forward without leaving Mother nature behind. We're here to nurture a lifestyle that isn't just rich from the outside but has values rooted within it, a lifestyle that believes in giving back to the nature.
